Bare Bosom Bills Fail To Excite Co. Supervisors

SAN DIEGO (CNA) — Two bare bosom bills came under scrutiny by the Board of Supervisors Tuesday and the board decided to support Assembly Bills 11 and 1531 that woud allow counties or cities to make it a misdemeanor for women in topess attire to appear at a beach or in an establishment where food or drink are served.

Counsel Robert Berrey said "The two bills cover the same general area." He amended this statement to "deal with the same general area."

The board did not appear to be much alarmed about the exposure problem.

Supervisor DeGraff Austin said, "I'm not too interested in this but we should have an ordinance to cover this sort of thing."

Planners Delay Reduction of Four Duplexes

SAN DIEGO (CNA) — The County Planning Commission has delayed for two weeks its decision on whether to grant L. C. Nelson a reduction in building site area for four duplexes from 24,000 square feet to 20,000 at 9110 and 9126½ Rosedale dr., Lemon Grove.

Nelson asked for the reduction so that he could build two more duplexes at the rear of the property. The new building would front on Mac lane.

According to Nelson's plot plan, there is a conflict between his measurements and the county records. The county record shows that the two proposed buildings would be within the right of way of Mac lane. The commission decided to hold its decision until a survey can be made.

Several neighbors objected to the building plans. They were Nina Levy, George Roundtree and Sue Corson. They said that the area already has many duplexes and is too crowded. They said that Mac lane is too narrow (20 feet) for additional traffic.

In another Lemon Grove action, the commission approved the application of James and Ruth Eppicck for a special use permit for a rest home for 99 guests on the west side of Osage rd. at Drexel dr.

3 Hopefuls Eye 3 School Board Posts in L.G.

Lemon Grove will conduct a school board election Tuesday but the outcome is virtually assured.

The names of the three candidates will appear on the ballot and three posts are open on the school board. There is no competitor for any of the posts.

A meager turnout is expected according to Paul Reynolds business manager for the district. The election is being held so that voters may write in the name of their choice, if the incumbents are not satisfactory to them.

The incumbents are Bert R. Cosby and H. Warren Buckner. Thomas Higdon, a newcomer filed for the open poste. So there will be three candidates for the three positions. Higdon, branch supervisor in the materials engineering division of the North Island Naval Air Station, decided to run after Jack Long, a five-year trustee decided not to serve again because of personal and business reasons.

Buckner has served on the board for 8 years and Cosby has served for 11 years.

Higdon is treasurer of the Mt. Miguel Music Parents club and president of the Lemon Grove Music Parents club.

In spite of the three candidates for three posts situation, six polling places will be open.

Polling places will be at all schools except Golden ave. and Mt. Vernon. The education center is being added as a polling place making seven polling places in all. Polls will be open from 7 a.m. to 7 p.m.

Reynolds explained that the election machinery is set up by the registrar of voters before it is known whether the election will be contested or not.

Horse Family Grows In L.G.

The James Graybeal family of Lemon Grove is a one horse family - or at least it was until this week.

Saturday, during the rain storm, the Graybeal's mare Osa Chica wandered away from the family property at 8415 Golden ave., Lemon Grove.

Mrs. Graybeal, who is a public steno at the same address, reported the loss to the sheriff's substation. She was deeply concerned because Osa Chica would be foaling in a day or so.

Deputies located the mare on Crane street late Saturday and brought her home.

Sunday, the stork brought a fine, sturdy filly to Osa Chica and all was serene at the Graybeals.

Serene until Wednesday, that is. Wednesday morning there were three horses in the corral. Nobody knew how the third animal got in or who he belonged to.

Back to the telephone went Mrs. Graybeal. The sheriff's department is now looking for a person who lost a black horse with forehead white star.

L.G. Schools Apply For NDEA Funds

Four applications for National Defense Education aid will be filed by the Lemon Grove Elementary school district. It will bring an estimated $12,000 to $14,000 to the district. District trustees were told Monday night at the regular board meeting that a matching amount will be paid by the district. The money must be used for improvement of instruction, according to Bryon Netzley, school superintendent.

Trustees were told that the budget for the coming school year will be approximately $2 million. The total is $50,000 more than the current budget. The budget, a preliminary one that may undergo changes, is based on a local tax rate of $2.70.

Trustee Bob Sjogren reported on his trip to Sacramento where he testified at the School District Organization hearing.

An executive session was called to discuss the assignment of three persons in the administration office.

The DIMMER VIEW

by MAX GOODWIN

We're For It!

One of our informants, Mr. Arthur Thomas, the erudite principal of Monterey Heights school, reported on the flow on literary pearls emanating from his school in conjunction with the annual Masonic Essay Contest on the subject of "Conservation."

One nine-year old fourth grader came up with this gem, he reported.

"Many people don't know how important water is. They maybe would throw trash, cigarettes and things in the lakes and rivers.

"The government is doing almost everything they can to help prevent unnecessary LITERATURE."

Tragedies That Beg Solutions

The tragic death of two Crawford High school teenagers and the severe injury of two others recently on College ave., caused Fr. Phillip Bartlett, vicar of St. Philip's Episcopal church here to angrily assess the accident-speed problem.

One of the seriously injured youths is Guy Albers, 18, of 3841 Boren st. Guy is an acolyte in Fr. Bartlett's church. He is the second teen-aged leader in his church to be so injured The other injury occurred two years ago in Spring Valley. The accidents are frustrating and idiotic, Fr. Bartlett complains.

"We have otherwise intelligent, dependable youngsters traveling at breakneck speeds in over-powered cars. They kil and maim themselves and others, apparently without reason - unless it is to test the commercials they see on television,'

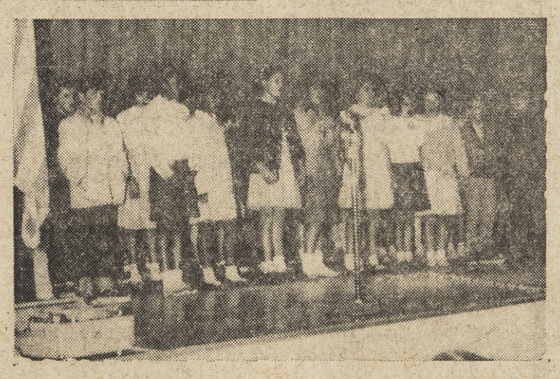
Golden Ave. School Event Is International



INTERNATIONAL — Fifty children from Tijuana and pupils at Golden Avenue School entertain each other during a get-together at the Lemon Grove school under the auspices of Soroptimist clubs of Lemon Grove and Tijuana. The program featured skits by the two groups. Gail Van Glick (upper left) emceed the show; Miss Gloria Castillano (upper right), Golden Avenue sixth grade teacher, helped keep order and led songs; Golden Avenue boys and girls (lower left) presented a song in Spanish; and Tijuana youngsters (lower right) presented colorful dances for their hosts. The event took place Thursday to mark Pan American Day (April 13).

The Golden Avenue Student Body joined with Lemon Grove Soroptimists Thursday, April 8 to entertain fifty students from the Soroptimist School in Tijuana and members of the Soroptimists de Tijuana.

The visitors all arrived together about ten-thirty. The Mexican students were distributed, in groups of ten, to Golden Avenue classes where they received instruction along with their hosts until noon. Tijuana Soroptimists observed various groups at work.

At noon each South-of-th-Border student was accompanied to the school cafeteria by one or two sixth grade hosts where bulletin boards and table decorations made by Golden Avenue sixth graders lent a festive atmosphere to the luncheon.

At the same hour Soroptimistas de Tijuana were guests of Lemon Grove Soroptimists at a buffet luncheon set up in one of the classrooms. Local Soroptimist president, Mrs. V. R. Dittamire, together with Mrs. R. C. Moore welcomed their guests, and provided a short program during which one of the visitors related problems and plans for the three classroom, three-hundred-student school (double session) which this enterprising service club sponsors on the outskirts of Tijuana. Slide pictures of the school were shown.

Mrs. R. C. Pfister, Lemon Grove School District cafeteria supervisor, coordinated arrangements for both of these luncheons.

Golden Avenue Student Body President, Gail Van Vleck welcomed the guests at an assembly at the Lemon Grove Junior High School auditorium. Mr. Edward Harvell's sixth grade class put on a short play in Spanish. Miss Gloria Castellanos' class presented songs and other entertainment. The visitors also presented a short program. A well-equipped first-aid box for each classroom was presented to the Soroptimist school, as well as individual favors to the young guests.

Refreshments were served by sixth grade room mothers to the children, while adult guests attended a tea in another part of th building.

AREA STUDENTS WELL GROUNDED AFTER CRUISE ON SEVEN SEAS

Five local residents have returned home after spending almost four months aboard the University of the Seven Seas.

Mrs. Isabelle McCrae of Lemon Grove who was the ship's nurse and part-time student said, "I feel it's the most wonderful opportunity for students to tie in their learning with their personal experience. They could never learn from a book what they learned from this trip."

One of the students on the trip was Mrs. McCrae's son Mike.

Other local students on the cruise around the world were Kathy Herbener and Mike Treinan, both of Lemon Grove, and Donna Shumpert of La Mesa.

Their trip took them to Lisbon, Athens, Alexandria, Karachi, Bangkok, Yokohama and other ports.

Mrs. McCrae is to write the Mayor of Yokohama, a city she said she and the students felt typified Japanese friendliness.

Mrs. McCrae said a typical day aboard ship began with breakfast at 7:15 a.m. First class began at 8 a.m. "Everyone was required to attend classes," she said. There were classes for 4 to 6 hours a day, six days a week. Study outside of class was also required.

"The food was excellent," Mrs. McCrae said. The ship is of the Europe-Canada Line and has a German crew. The university is based in Whittier, Calif.

The cost for transportation and food is approximately $1,600 and the tuition, which covers classes and field trips, runs another $500.

Field trips were planned at all ports of call. "Busses met us as soon as we docked and took us to universities and schools and on a general tour of the countryside and to points of interest," Mrs. McCrae said. "We were welcomed so warmly every place we went. I can't think of a place where we were not welcome."

After visiting a port the students were required to write papers relating to the area visited.

Mrs. McCrae rated Lisbon and India as favorite places on the cruise. "Ceylon was one of the most beautiful," she said.

The sea-going university left New York last Oct. 19 and returned to this country at San Francisco on Feb. 3.

Students from all over the world are invited to enroll in the course. "There were students from Japan, Australia, Canada, Mexico and France but most are from the States," Mrs. McCrae said.

The faculty included Asian and European professors.

Upon their return home a reporter commented, "Few college students have learned Malay dances at a dinner given by the deputy prime minister of Malaysia; ridden an elephant in the Ceylon Jungles; watched the sun rise while they chanted with Zen Buddhist monks at a Kyoto Monastery; or visited first hand the ruins of the world's great civilization and, in contrast, the capitols of the newly developing nations of the world.

GOD'S MINUTE

REV. H. C. BAKKEN

"THE CROSS"

The cross is God's estimate of what you are worth. Man is a creation of God, not an accident of nature. God created man as a being capable of fellowship with Himself. When man rebelled and admitted sin into the human race, God did not abandon His plan. No, God sent His Son to redeem man so that man might get back into the plan God has for him.

CONRAD LEMON GROVE MORTUARY

MRS. CLARA BULMAN

Newspaper, 100 Years Old, Tells of Lincoln's Death

The front page of a newspapre, said to have been issued when President Abraham Lincoln died one hundred years ago this week, is the proud possession of Mrs. Clara Bulman, of 8111 Golden ave., Lemon Grove.

Tre page is from the New York Herald, an "extra" edition dated April 15, 1865 and timed at "8:15 a.m.."

In a dispatch signed by Secretary of War Edwin M. Stanton under a Washington D.C. dateline at 7:30 a.m. the message reads, tersely, "Abraham Lincoln died this morning at twenty-two minutes past 7 o'clock."

And thus the nation and the world, came to know of President Lincoln's assassination.

Mrs. Bulman said the newspaper page was found among her mother's belongings. Her mother, Mrs. Clara McDonaugh died in 1960 in Coronado. She was 87 years of age.

The page from the Herald is in almost perfect condition. Mrs. Bulman said that she had refused an offer of $50 for it.

Column rules which seperate one column of type from another were inverted so that they printed as heavy, black mourning strips instead of the "hairlines" used then, as today, by newspapers.

Interestingly when President Kennedy was assassinated last year, many newspapers inverted column rules as it was done in the 1865 Herald.

Instead of a huge headline streaming across the page, the Herald used one of its six columns for a series of headlines, each headline being approximately two and a half inches wide.

Here, in the sequence they appeared, are the headlines of that edition.

ASSASSINATION

J. Wilkes Booth, the actor, the Alleged Assassin of the President.

There are two additional columns of details of the shootling, of the crowd and of the escape, all of which have been recorded in the pages of history books.

An ink drawing of the president's face fills two columns at the top of the page.

On the back is a Graino-o grain beverage advertisement filling almost the entire page. It proclaims that it"has lifted the curse of coffee from thousands of homes."

There is also a dispatch revealing that Gen. Sherman had started marching his army. Sherman is quoted as telling his soldiers, and a crowd of citizen well-wishers that "Rich mond is ours and the rebe army is broken up and demoralized."

Girl Scout Chatter

by Mary D. Giacinto

Girl scouts from every troop in Lemon Grove are participating with Bob Mastny, chairman of the Chamber of Commerce's clean-up campaign. To date they have distributed 5000 letters to homes in the area. They want to make people conscious of the importance of keeping property up.

If Mrs. S. A. Simpson and her troop No. 73 have anything to say about it good will will permeate nations. Recently at a well-prepared international program they hosted for their parents and for honored guests, Mary Hall, district chairman, Carol Davey, neighborhood chairman, Marion Holcomb, district advisor, and Mrs. Brogan, Palm Avenue School principal. The honored guests testified to the ingenious treat the girl scouts provided.

The program began with a colorful variety of dishes from China, India, Italy, Germany, Canada, and other countries. Imagine such young girls preparing foreign dishes. What a good job they did too.

HAND MADE FLAG

Next, all the American and California flags from the first one to that of the present day were shown. The American flags were donated by Dr. McMorrow. The California flags Mrs. Munsel hand made and gave to the girls for the occasion. Appropriately, the Rededication ceremony followed.

Then came a unique international fashion show. Wendy Simpson, representing India, wore silks, pants and all. Her blouse of combed cotton was emphasized by combs sewed thereon. Her pants of brushed wool were decorated with brushes. Silk scarfs not available, brightly colored turkish towels were worn symbolically.

"Brazilian" Gail Patton wore a smart burlap sack dress adorned generously with coffee beans and boasting coffee sack pockets. To heighten the effect Miss Patton sported a brown wig topped jauntily by a coffee cup.

"From Africa", Sue Colman sported a solid colored dress to which paper flowers had been attached to portray the flower print. To bring attention to the many "carated" diamonds of Africa, Sue wore a tiarra of six solid carrots, a ring of two carrots and a neckless of eight. Imagine wearing 16 carrots and not being afraid of robbers!

Dianne Chesnick was ultra sharp in her can-can dress. Naturally real tin cans were attached to her garb for authenticity.

There were other countries represtenter too, but all in all, I'm sure you'll agree that the girls have more than deserved that merit badge for hospitality.

Vogue Member Models Wigs

Mrs. J. A. Ross, Chairman of the Vogue Section, Lemon Grove Women's Club, was one of the models showing wig fashions in the "Fashions For Belles" accessory and wig show presented last week in the Orange Tea Room, Grossmont Center.

Mrs. William Sayward, first vice president, arranged for the table decorations, table favors and door prizes.

The proceeds will go to purchase mission bells for Camino Real. The bells were originally erected in 1906 as a project of the California Federation of Women's Clubs.

The Vogue section is one of the six evening sections of Southern District participating in the event.

The DIMMER VIEW

(Continued)

he said.

"Can it be that the show of automotive power, of powerful autos racing up and down hillsides creaie a subconscious challenge to these youngsters?" he asked.

Fr. Bartlett, who was further shocked by the disclosure that traffic deaths rose 20 percent during the week-end, sees no solution to the unhappy problem.

His complaint isn't unusual. Voices are louder as the carnage continues to grow greater. That no solution has been found is proof that the problem is one of the knottiest of our times.

We present Fr. Bartlett's plaint here to encourage others to give serious consideration to what action might be taken to reduce auto-speed slaughter.

If only one young driver keeps his speed within due bounds as a result of this presentation, we will have considered it effective.

NAMES AND NUMBERS IMPORTANT TO STATE FRANCHISE TAX UNIT

Names and numbers are quite important to the taxpayer during the State income tax filing time, Frank C. Heryet, Manager of the San Diego Office of the Franchise Tax Board, said today.

For ease of filing and to assure that your account is kept straight, all taxpayers should be sure that they file their income tax under the exact name in which their pay checks are made out. Also, they should be sure that their social security number is correct as listed on the form.

The State Franchise Tax Board receives more than five million income tax returns each year and the job of processing them all, filing them all, and keeping each account separate is pretty complex, Heryet said. For this reason, a correctly spelled name or a properly listed social security number are vitally important.

CAREERS IN TEACHING ENCOURAGED BY VISTA LA MESA PTA MEMBERS

by Betty Higgins

Parents of the Vista La Mesa School are honoring teachers during April, Teaching Career Month. Members of the P. T. A. presented teachers with a decorated cake in appreciation of the teachers' work with the pupils of Vista La Mesa School.

Parents also have planned other special recognition activities for the teachers during the month of April. Mrs. George Whyte, president of the P. T. A. commented, "This is our way of showing the teachers in our school that we are aware and appreciate their dedication to the job of teaching our children." Mrs. Paul Salata, room mother chairman, lighted the candles which signified the beginning of Teaching Career Month.

The month of April has been set aside by the National Education Association as Teaching Career Month. The purpose of the event is to focus public attention on the importance of teaching as a career and the need to select, prepare and retain good teachers.

Teaching career month was initiated in 1958 by the N.E.A and is observed at all educational levels throughout the United States.

Objectives of Teaching- Career Month are: (1) -- To show that quality teaching is necessary for survival of the American way of life; (2) -- To improve our schools by providing increasing numbers of fine teachers; (3) -- To encourage larger numbers of qualified young people to remain in the profession; (4) -- To inspire teachers to speak for their profession and to encourage others to consider teaching as a career; and (5) -- To inform parents and other citizens of the opportunities and rewards the teaching profession offers today's youth.

UTT SAYS HIS BILL WOULD HELP TAXPAYER

WASHINGTON — Congressman James B. Utt (R-35th) said he was pleased that the Internal Revenue Service "is showing belated but real interest in doing something about income tax underwithholding which will cost U. S. taxpayers millions on April 15."

"The administration could have solved that problems by asking passage of Bill H. R4607 which I introduced Feb. 9 and which would allow those underwithheld to spread their payments out over the next tax year," Utt declared.

R.A. Demands Release of Otepka Report

The Lemon Grove Republican Assembly has unanimously approved a resolution urging President Johnson and the members of the Senate Internal Security Subcommittee to "immediately release the sworn testimony of State Department Official Otto Otepka, which is being withheld from the public." Otepka was fired as Evaluation Chief of State Department Office of Security, for revealing information on numerous security risks now in the employ of the Department of State, even though his testimony was requested by the Senate Interna 1 Security Subcommittee," Emil Balaban, President of the Lemon Grove group said.

Otepka has appealed his case and is presently awaiting his hearing but his sworn testimony which is vital to his defense is still considered 'classified' even though months have passed since its completion. We find it deplorable that a man dedicated to the service of his country, whose job was to uncover security risks on the federal payroll, should be persecuted for the execution of his duties. We feel the public should be informed of this vital information concerning the security of our nation," Balaban concluded.

The group meets on the 1st Wednesday of every month in the Community Room of the Lemon Grove Medical Group Building, corner of Main and Daytona Streets. All interested Republicans are urged to attend.

ALLIGATOR AIDS SALE

The senior class at Mt. Miguel High won the $50 prize offered by the American Foreign Service for collecting the most rummage. The items were for the annual rummage sale held April 2 and 3 in Lemon Grove.

The senior class collected 8,405 pounds, juniors 5,725, freshmen 3,253, and sophomore 894.

"It was a very successful sale," said Mrs. Bert Cosby, AFS president. We had a bit of everything -- steam tables, a car, tuxedo, many large electrical appliances, an alligator, jewelry, puppies, rare books, costumes, etc., which brought in more money than is needed for one foreign exchange student for next year.

Mrs. Cosby added: "We owe thanks to Mr. Sam Kahan, owner of the Fayaton bldg., where the sale was held; and also to two hard-working chairmen of the Miguel "I" Club, Joeeta Tenison and Judy Bowers."

State Tax Office Is Open Tonight

All permanent offices of the Franchise Tax Board will remain open until 7 p.m. tonight (April 15) to assist taxpayers in filing their State income tax returns prior to the deadline, State Controller Alan Cranston, who is Chairman of the Franchise Tax Board, said.

The deadline for filing tax returns for calendar year 1964 is midnight tonight, Cranston said. Those taxpapers who miss the deadline will be subject to penalties.

Taxpayers who have a valid reason for not meeting today's filing deadline should request an extension of time in which to file, Cranston said. Extension forms are available at any office of the Franchise Tax Board.

The San Diego office of the Franchise Tax Board located at 1350 Front st., will remain open until 7 p.m. tonight.

The club invites interested young Republicans to attend. The club is open to all Republicans between ages 18 and 40. The meeting will be held in the board room of the Lemon Grove Medical Group building, 32400 Main st., Lemon Grove.

A social period will be from 7:30 to 8 p.m. The meeting will start promptly at 8. Refreshments will be served.

Court Dismisses L.G. Man on Trash Charge

Robert L. Brown, a local businessman of 3232 Main st., Lemon Grove, who was cited March 20 for failing to possess a county public works hauling permit was freed of the charge Monday in Chula Vista Muncipal Court.

Public works inspectors gave Browne the citation when he went to the Sweetwater dump with a load of refuse.

The inspector cited a 11-year-old ordinance requiring those who deliver refuse to the dump must have a $10 a year license if the refuse is generated any other place than the driver's own home.

Profssional dump users pay an annual fee of $20.

Browne's citation came in the midst of a clean-up program in Lemon Grove. Browne said some of the trash was accumulated as a result of the community clean-up.

Litter Head Says Citations Mounting

Harry La Dou, executive director of the War Against Litter, exhorted members of the Men's Club to help make the battle a continuing one.

Already involved in the current Clean-UP Lemon Grove campaign, the club learned that San Diego police are now giving 15-20 litter citations a month. "They gave out an average of one citation a month before we started our educational campaign," La Dou reported.

He reminded that conviction on a litter charge may bring a $500 fine and six months in jail.

The Men's Club meets on Friday's at Michael's for a no-host luncheon. Any male interested in community affairs may attend, according to Chuck Buckles, vice president.

Lewis Smith To Go Home This Week

Lewis Smith, long-time superintendent of the Grossmont Union high school district who resigned his post last year to become personnel director in the same district, is expected to be released this week from El Cajon hospital.

He was hospitalized in mid-March after suffering a heart attack while picnicking with his family in Ensenada.

Dr. Tom Warburton, who replaced Smith as superintendent of the district, said Smith was expected to be able to return to work next school year.

Smith lives at 10057 Country Club rd., Mt. Helix.

Glass Program for British Women

The Daughters of the British Empire, a one-year old Spring Valley organization, will meet Thursday, Apr. 22, at 7:30 p.m. in the Spring Valley Community Hall, Spring Valley Shopping Center. Guest speaker will be Lloyd Davies. He will talk on "The Mysteries of Glass."

Mrs. Walter Cernitz is president of the organization. Persons of British extraction are invited to visit the club and seek membership.

Plans are being made by the club for a bus trip to Hollywood, May 12. The tour will take in Universal City with lunch at the commissary, Farmer's Market, "Truth or Consequences" show and Knotts Berry Farm. Cost for the trip will be $7. For full information phone Mrs. Nora Ashworth at 479-5455.

Yard Reduction Given S.V. Estate Property

SAN DIEGO (CNA) — C. R Gilbert got two lot size and two rear yard reductions for his Spring Valley property Tuesday by the Board of Supervisors over the protest of an adjacent land owner.

Gilbert asked for two lots of .44 acre in the E-1-A (estate half acre minimum lot) because of a lot split of his property on Upland st, near Kenora.

Rudi H. Graf objected. Because of a drainage channel that runs across Gilbert's land he asked the variance to 8 feet instead of 40.

The planning commission had recommended that the variances be granted.

Reducing Taxes Is Every Citizen's Business

April 10, 1965

Dear Editor:

I want to thank you for the public-spirited attitude that you are taking in the matter of the fire district and meetings of the commission.

The enclosed copy of the letter which I have just sent to the Chairman of the commission is an act of our organization. We are going to make it our business to attend meetings, and if this request is ignored, we plan on bringing a mandamus to make them show cause why they are operating contrary to the law, if they so attempt to operate. The fire district and all other public commissions must be open; they are forbidden by law from being closed corporations. We must not allow any small cliques, regardless of who they are, in this community or any community, to take advantage of the fact that people are busy making a living and are unable to attend some of these commission meetings. "Eternal vigilance is the price of liberty," and God knows that we need vigilance in our day.

Chairman of the Lemon Grove Fire District
c/o Lemon Grove Fire Dept.
7853 Central
Lemon Grove, California

Dear Sir:

We are herewith requesting that the United Taxpayers Association of San Diego County be informed of any special commission meetings held by the fire commission of this district.

You know that under the Brown Act, there cannot be any closed meetings, and for this reason, we must insist that all meetings be publicized and open to the public or those who would care to be present.

Thanking you for the consideration I know you will give this matter, I remain,

Sincerely yours,

(Rec.)Frank B. Gigliotti, D. D., President United Taxpayers Association of San Diego County, Inc.

We have had a very fine fire district, and Pappy Hensley has done an excellent job. The commission has not been extravagant; they have given us good protection at a reasonable cost, and we must keep it that way.

Thanking you for the public-spirited efforts that you are making in behalf of the Lemon Grove area, I remain,

Sincerely yours,

(Rev.) Frank B. Gigliotti, D.D.

Senior Citizens Club Loses Shuffleboard Discs

Two sets of eight shuffleboard discs were taken from the storehouse of the Senior Citizens Club recently.

The club maintains shuffleboards for its members at the Greenspot Park in Lemon Grove.

Karl Dorstewitz, officer of the club, said the discs were in holders. It is probable that parents might recognize them as the missing equipment should children find them and bring them home.
